

Activity	Teacher	Grade	Location	Description
Paper Crafts	Mrs Cooke	KG2-G2	G22	Provide your child with a opportunity to develop their fine-motor skills while exploring the world of paper crafts like origami, paper cutting, card making, decoupage and many others. Some of our projects will be short one session projects while others will be multi-week projects. See the delight on your children's faces when they come home with treasures they have made.
Lego	Ms Lee	KG2	G58	This club will give students the opportunity to get creative with LEGO. Students will be given various LEGO challenges to support team building or they can use their imaginations while working on their own creations.
Beauty & the Beast Support Choir	Ms Mcarthy	G1-5	Old Music Room	For all those budding singers and performers who have always dreamt of being on the stage, this is the ASA for you. We will be the performers who open the First ever production of Beauty and the Beast at Fairgreen singing some wonderful songs to mark the occasion together. You don't need a fantastic singing voice, simply enthusiasm for singing and a willingness to be part of this wonderful school wide show. Come along and bring your best show voice! Please note this choir is a separate group to the singers who will be part of the show and students may take part in both the show and the choir if they so wish.
Arabic Help Desk	Mr Abo Baker & Mr Hussam	G1-5	F23/F27	Developing the skills of students in conversation and encouraging them to read and write and to upgrade the level of their Arabic language. And improve Arabic calligraphy.
Eco Council (Invite Only)	Ms Gore	G3-5	Inclusion	The Eco Council is back! Make the most of this exciting opportunity to reflect upon and action eco-friendly projects within Fairgreen! This is great opportunity to do lots of little things which make the world a better place! Come and join us in forming good habits for yourself and to inspire others.  You are welcome to apply to join - please write and deliver your inspirational application to Mrs. Gore in the Inclusion Center including the following:  1) Tell her something interesting about yourself 2) Explain why you wish to join the Eco Council 3) Share an idea that you have to make Fairgreen or Dubai even more sustainable.  Applicants will then be contacted following submission of their application.
Lego Education WeDo 2.0	Mrs Gerber, Mrs Samuels, Mrs Thomas	G2-4	S53	LEGO® Education WeDo2.0™ is a robotics and coding club! Students participate in weekly robotics challenges including the constructing and coding of robots. Students get to build and code their own robots as they learn the functions of the combination of physical LEGO® bricks and how to code using the intuitive block-based coding. Students are motivated to explore, collaborate, build and problem-solve by testing and refining their creations while deepening their learning and developing 21st-century skills.
Art Attack - Beauty & the Beast Props	Mr Enfield	G3-7	Primary Art	It is time to get creative! We need you to help us bring "Beauty and the Beast" to life! Props and costumes are a large aspect of the school show. You will be creating the props and designing the costumes for the performers! Lots of creativity, art and fun!
DELf Junior (Diplome d'etudes en langue Francaise)	Madame Sirbu	G5-9	F12	This ASA is a teacher invitation ASA and it aims to prepare native French speakers for the DELF Exams levels A1 & A2. It will run throughout the whole academic year, with the possibility to sit an external exam in June and therefore a high level of commitment is required. Please find more information about DELF Junior here: <a href="https://www.france-education-international.fr/diplome/delf-junior-scolaire">https://www.france-education-international.fr/diplome/delf-junior-scolaire</a> or email <a href="mailto:msirbu@fairgreen.ae">msirbu@fairgreen.ae</a>  The ASA will run for the whole year, Terms 1,2, 3 and it is FREE OF CHARGE. If students choose to sit an external exam at the end of the year this will be done through the French Institute in the UAE . They exam fee will be paid by the parents (around 400-450aed, tbc at a later date) towards the French Institute. Invitation based ASA for native French speakers only.
Fairgreen Dance Team - Hip Hop/Street Dance	Ms Kristel	G2-4	MPH	If you love to dance, perform, have lots of fun and your you can't wait to learn new choreographies... then this is the right ASA for you! Students will learn different choreographies throughout the year and they will showcase their dances when events take place at school.
Fairgreen Tech Club	Ms Cahill	G8-12	F78	Are you interested in technology? Join the Fairgreen Tech Club! In this club, we will explore all things technology related. We are creating a team of tech gurus who will investigate different forms of technology and how they could help us at Fairgreen. Think website development, training of teachers or students, or exploration of exciting technologies. You may also be called on during the school day to help out a teacher or a class who are in need of your expertise or even for support in helping train staff members.
Set Designer	Ms Mckeever	G6-10	Secondary Art	Do you ever wonder how sets are created for broadway? Do you think of yourself as a creative/ artistic person? sign up for our set design asa and get the chance to go down in history as fairgreens first ever production set designer, for our school production "Beauty and the Beast". Lets get creative!

Cookies and Connect	Mrs Greenwood	G6-9	Wellbeing Hub	New to secondary school? need help with your IB studies? getting organised? and want to connect with your peers who feel they need help with motivation and confidence. Cookies and Connect is led by our team of enthusiastic and caring student wellbeing champions, and supported by Ms Jackie Greenwood our Head of Wellbeing. We look forward to helping you learn, rise and fly in your studies!
				No costs involved but feel free to make some home baked healthy cookies ( no nuts) for sharing.
<b>Eco Council</b>	Ms Walsh	G6-12	S70	To make students understand environment and environmental problems. To provide environmental education opportunities for students. To utilize the unique position of students as conduits for awareness and agents of change of the society at large. To facilitate students' participation in decision making in areas related to environment and development. To bring students into direct contact with the environmental problems being faced by the society they live in and make them think of solutions. To involve students in action based programmes related to environment in their surroundings. To enhance leadership skills and develop their social awareness and personality.
Arabic Help Desk	Mr Abo Baker & Mr Hussam	G6-12	F23/F27	Developing the skills of students in conversation and encouraging them to read and write and to upgrade the level of their Arabic language. And improve Arabic calligraphy.
