Activity	Teacher	Grade	Cost	Description
Ballet	Stryx	KG1	760AED	Ballet is truly the foundation of all dance. Ballet technique is a structured syllabus that builds upon itself and teaches coordination, grace, strength, and artistry. We teach classical ballet using the Vaganova Method. We place our emphasis on sound anatomical training so you can dance for years to come. We encourage proper alignment and kinesiology to prevent injury.
Ballet	Stryx	KG2	760AED	Ballet is truly the foundation of all dance. Ballet technique is a structured syllabus that builds upon itself and teaches coordination, grace, strength, and artistry. We teach classical ballet using the Vaganova Method. We place our emphasis on sound anatomical training so you can dance for years to come. We encourage proper alignment and kinesiology to prevent injury.
Tennis	ISM	KG1	760AED	ISM Tennis Academy offers a bespoke tennis programme that caters for all ages, standards and goals. We cover all aspects of the game helping individuals develop skills, technique and tactics in a fun engaging way. All ISM coaches are fully qualified and have a minimum 5 years coaching experience. With continuous coach education and following the LTA coaching method, the ISM Tennis Academy and coaches create an optimum environment for students to maximise their potential.
Football - TSC Grass Field	PT Sports	G1-5	880AED	Prime Talent Sports Academy is a UAEFA approved academy that offers a football training and youth development program for boys and girls from ages 3 to 16 years old. PTSA is led by highly qualified coaches and a program that ensures quality coaching in a friendly learning environment, focusing on developing the player's personality and skills. Our extensive training program also gives our players the opportunity to participate and compete in youth leagues and take part of top-level matches.
Parkour	Sports Connector	G1-5	640AED	Parkour is a non-competitive movement discipline that teaches participants to use their bodies to overcome physical and mental challenges. Practitioners use jumping, climbing and acrobatic techniques to traverse their environment. The nature of the sport builds functional strength, coordination, flexibility, accuracy, and balance like no other sport out there. It also teaches safety, responsibility, creative thinking and focus which are all crucial skills for young people to learn. Students will learn to navigate through obstacles in their environment quickly and creatively, seeing their environment in a new way, empowering them to navigate their surroundings in innovative ways.
