Walking Club	Ms Serrao	G3-5	TSC	In this activity, we will enjoy a walk around The Sustainable City track in our own school community. Walking is a simple activity which helps our physical and mental health. It uses all of the major muscle groups in the upper and lower body and is a low impact activity. Students who are physically active are more likely to maintain a healthy weight, have better academic performance, and improved mental health. It also helps the following areas- Self Awareness: Walking can be helpful for identifying emotions and self-perception. Relationship Skills: Joining together on a short walk can serve as a simple yet effective way to start conversations with peers and/or adults. Students can bring their favourite music to listen to some songs as they walk. Let's get walking!
Art Attack - Beauty & the Beast Props	Mr Enfield	G3-7	Primary Art	It is time to get creative! We need you to help us bring "Beauty and the Beast" to life!
